The New Generation

FGA drew knowledge from ancient Chinese teachings, combined it with our cutting edge EYFS system, and created a new curriculum. This lets our new generation of children learn about Chinese language and literature, using the communication and language areas from EYFS.

Traditional Chinese culture is vivid and rich. It can only be truly comprehended when students are immersed in real traditional cultural context and scenes. Thus, we used modern day theme-based learning to let the children step into the ancient world. By letting the learners travel back in time through this course, they can absorb the ancient civilizations knowledge, etiquette and manners more easily.

Giving them the skills they need to forge their own dynasty.
